

Amendments to the Drawings:

The attached sheet of drawings includes changes to Fig. 2C. This sheet, which includes Figs. 1, 2A, 2B, 2C, 11A, and 11B, replaces sheet 1/52 filed on January 2, 2002. In Fig. 2C, the text "FIG. 2C-2" has been changed to "FIG. 2C-3" in the rightmost block.

Attachment: Replacement Sheet (no annotated sheet is attached because the amendment will be apparent).

REMARKS

1. In the Notice of Allowance dated June 20, 2011, the Examiner objected to the disclosure and requested that the "Brief Description of the Drawings" section be updated to correspond to the drawings filed 1/15/02 (which Applicant mailed on January 2, 2002). In attending to this request, Applicant noted a minor error in Fig. 2C. Thus, Applicant requests that the attached replacement sheet with amended Fig. 2C be entered and also requests that the "Brief Description of the Drawings" section be amended as indicated above. These amendments merely correct formal matters in the specification and drawings, should not require any further examination, and should not place an undue burden on the Office.

2. Applicant does not believe any extension of time is required for timely consideration of this response. In the event that an extension has been overlooked, this conditional petition of extension is hereby submitted. Applicant requests that deposit account number 19-4972 be charged for any fees that may be required for the timely consideration of this application.
